A child is exposed to a traumatic event.

**FIRST RESPONDERS**
Will submit a "FCOUS Notification". No details about the nature of the event are provided; only the name of the child, DOB, and school.

**SCHOOL**
The designated school personnel will then ensure notification is provided to the child’s teachers and other school personnel.

**TEACHERS & SCHOOL PERSONNEL**
Will observe the child’s behavior/academic performance and utilize trauma sensitive interventions as deemed appropriate.

**SCHOOL COUNSELOR, SOCIAL WORKER OR NURSE**
Provides assessment and/or interventions.

**MENTAL HEALTH THERAPIST**
Provides on-site therapy with parental consent.

If a First Responder is called, they identify children at the scene and find out where they go to school or daycare.

If Additional Support IS Needed:
- Provides assessment and/or interventions.
- Will submit a "FCOUS Notification".
- No details about the nature of the event are provided; only the name of the child, DOB, and school.
- Will observe the child’s behavior/academic performance and utilize trauma sensitive interventions as deemed appropriate.
- The designated school personnel will then ensure notification is provided to the child’s teachers and other school personnel.
- Continue to monitor and support as needed.

If Additional Support IS NOT Needed:
- Continue with typical classroom activities.
